

Vision 2030 Video Transcript

We have a Vision for 2030
Let's make Cockburn the best place to be
How? We're doing many things...
... Like helping to create a city centre
As part of our vision to create a living, breathing
Place to be for the community
We're supporting local businesses
And we urge everyone to shop local
As part of our vision to make Cockburn
The prosperous place to be
AS part of our vision to make
Cockburn the natural place to be,
We're preserving the bushland and wetlands
For generations to come.
We assist young people
To gain employment
As part of our vision to make Cockburn
The place to be for opportunity
These are just some of our 2030 vision initiatives
Let's make Cockburn the best place to be
