9.1 (SCM 10/05/2005) - ELECTION OF DEPUTY MAYOR (1701) (SGC)

RECOMMENDATION

That Council conduct an election for the position of Deputy Mayor, pursuant to Schedule 2.3 7(1) of the Local Government Act 1995.

COUNCIL DECISION		

Background

The Local Government Act 1995 (Schedule 2.3 7(1)) provides that the office of the Deputy Mayor is to be filled as the first matter dealt with after the election of Council.

Submission

N/A

Report

The election is to be supervised by the Chief Executive Officer in the role of Returning Officer.

If a Councillor is nominated by another Councillor, the person conducting the election, is not to accept the nomination unless the nominee has advised the person conducting the election (orally or in writing), that he/she is willing to be nominated for the office.

The Council Members are to vote on the matter by secret ballot as if they were voting at an election.

The votes are to be counted and the successful candidate is the candidate who receives the greater or greatest number of votes.

If a Deputy Mayor is not elected due to an equity of votes, that count is to be discontinued and not more than seven (7) days later, a Special Meeting of Council is to be held.

Any nominations may be withdrawn and further nominations may be made before or when the Special Meeting is held.

If, at the Special Meeting, an equal number of votes exist after the count, the person conducting the election is to draw lots.

The appointment will be in place for two years, until May 2007.

The person elected by Council as Deputy Mayor, has to make a declaration on the prescribed forms before acting in the office.

The Declaration is to be made in the presence of an authorised person whom a statutory declaration may be made, pursuant to S2 of the Declarations and Attestations Act 1913.

RECOMMENDATION

That Council:

(1) pursuant to Section 5.8 of the Local Government Act 1995 (WA) ("the Act"), and in accordance with section 5.9(2)(c) of the Act, establish the "Strategic Finance and Investments Committee"

Background It has been identified that Council has considerable land assets, some of which are available for sale to realise cash in the short term or potentially can be developed to provide an ongoing income stream. a policy/plan for its land assets.

investment.

Report

It is proposed that a Committee be formed to consider ways to maximise the returns to Council from both land and cash assets. It is intended that the Committee will be joined by private or public sector professionals to provide specialist advice (eg. Council's current cash investment advisors or a property developer) when considered necessary.

The Committee will review Council's existing policy on Investments and make appropriate recommendations on the adequacy of Council's Investment Policy (SFCS1).

The Committee will also examine Council's landholdings with a view to determining which properties should be considered for sale only and which properties are capable of development. Properties capable of development will then be identified as either for sale following development or capable of providing an ongoing income stream for Council. The possibility of joint ventures will also be examined if appropriate. The Committee will take into account the requirements to fund future Community Infrastructure for both construction and ongoing operation costs and make appropriate recommendations to Council. The need for a policy on land assets will also be examined.

It is anticipated that the Committee will meet on at least a quarterly basis.

Strategic Plan/Policy Implications

Key Result Area *Managing Your City* refers.

Budget/Financial Implications

The Committee will be making recommendations to Council regarding cash investment income and the funding for capital and operating costs for community infrastructure.

Legal Implications

Business plans may be required for land dealings as required by Section 3.59 of the Local Government Act 1995.

COUNCIL DECISION		

Background

Council is required to appoint delegates to external and internal Committees/Organisations.

Submission

N/A

Report

Section 5.10 of the Local Government Act 1995 (the Act), enables Council to appoint (by Absolute Majority), persons to be members of any Committee (internal) established by it, to undertake a specific function on behalf of Council.

Those Committees are under the heading "(b) Internal Committees" as detailed above.

In addition, Council is able to appoint representatives to external committees or organisations with which Council has a strong link. Those Committees/Organisations are under the heading "(a) External Organisations" as detailed above.

It should be noted that the appointment to external organisations are not, in the main, compulsory and that each committee will continue to

SCM 10/05/2005

operate with or without the City's representation. Some appointments require staff representation. The external committees included in the recommendation are those on which Elected Member representation is considered of importance to Council. Elected Members may wish to move a motion for taking representation on the list of committees described as Other External Committees (c).

The recommendation itself, deals with appropriate representation given the nature of the organisation.

It is to be noted that staff have been shown as advisors where appropriate. If there is no specific notation, the person/position would be a voting member.

It is the Mayor's prerogative to nominate for any or all of the internal committees established by Council pursuant to Section 5.10(4) of the Act.

Similarly, if the Chief Executive Officer (CEO) wishes to nominate himself (or a representative) to any of the internal committees on which staff are represented, then the nomination must be approved by Council as an appointment.

The manner of appointing delegates and representatives is suggested to be as follows as the procedure assists in facilitating the process:-

- Elected Members are to indicate their nomination by writing their name on the Nomination Sheets displayed in Council Chambers, at the Swearing In Ceremony.
- Nominations will be recorded for all positions, where indicated, on the Nomination Sheets in Council Chambers.
- Where there are equal, or less, nominations than required, those persons will be appointed en block (by the necessary resolution of Council and by absolute majority where required) with the remaining positions being left vacant.
- Where there are more nominations received than positions vacant, members will resolve, by vote of show of hands, the appointment of the requisite delegates. This process will involve separate resolutions being made for each individual committee or organisation.

Note: If an Elected Member wants to be on an Internal Committee, then they must be appointed to at least one Council appointed (Internal) Committee.

(c) OTHER COMMITTEES (External Only)

It is recommended that Council not have formal Elected Member representation to the following forums as it is either not required at this stage, the Committee no longer exists or the function and role of the organisation is largely independent of Council influence, or a staff appointment is already in place:-

- Care Options
- Coastal Business Centre
- Cockburn Community & Cultural Council
- Cockburn Voluntary Emergency Service
- Cockburn Sea Search & Rescue Group
- Hamilton District High School Chaplaincy Council
- Jandakot Airport Consultative Committee
- Lakeland Senior High School Chaplaincy Council
- Roe Highway (East of Kwinana Freeway) Community Liaison Group
- South West Corridor Development & Employment Foundation
- South West Metropolitan Regional Tourism Marketing Association Inc (Funcoast)
- Volunteer Home Support Inc.

Matters that come forward from these groups, can be dealt with administratively and placed before Council where required.

In addition, the Greening Plan Review Group does not operate as a Committee and therefore, is not subject to this formal process.

- (1) integrated and co-ordinated, so far as practicable, with any provided by the Commonwealth, the State or any public body;
