The property owner/owners adjoining the verge have approved this application.			
All materials must be stored inside the sea container/skip bin at all times.			
The sea container/skip bin must be kept a minimum of 2.5m away from the kerb.			
The property owner, builder or the sea container/skip bin provider has a certificate of currency for public liability to cover people/persons, assets, incidents and damages that may occur.			
The permit holder must display on site a sign with the container providers, builder or developers name and contact details.			
The permit holder must ensure that deposited material is sufficiently lit (with signage) at night to ensure the safety of persons using the street.			
Nothing in this permit authorises the removal of, or damage to a street tree, unless approval is specifically authorised in writing by the City.			

**Proposed Location:**

A plan/sketch showing the location of the proposed container on the verge, with dimensions of the container and its clearances to assets (e.g. trees, power poles, driveway, footpath, kerb and utilities).

Applicant is aware that they must ensure that the thoroughfare (including the verge) is kept safe for the public to use at all times.

- The City of Cockburn is to be indemnified against any claim or action arising from the operation. The City takes no responsibility for any damage which may occur to the sea container/skip bin whilst placed on the verge area. Please ensure there is no damage to either the kerb or any street trees.
- It will be necessary to comply with the requirements of the Road Traffic Act Road Traffic Code 2000, AS1742.3 (2009), City of Cockburn [Sea container and Skip Bin Policy LPP5.8](#) and [MRWA Traffic Management For Works On Roads Code of Practice](#).
- If approved the City reserves the right to request removal of the sea container if necessary.
