

# Hard Waste & Garden Organics Verge Collection

Place all verge material out by 6am on the Monday of the collection week. Do not place verge material out more than **THREE** days before the collection begins for your area. Separating your waste, as per picture on the next page will help us recycle.

**Please ensure you are aware of your correct area by number and colour.**

**Please do not present more than 2 cubic metres.**

# Important information for verge collections

## Details on how to present verge waste:

- ✓ Do not place verge material out more than **three days** before the collection date for your area. A non-compliance notice will be issued for early “set outs”
- ✓ Ensure your verge material is presented before 6am on the Monday of your collection week. The City will not return for waste that was set out late
- ✓ Place away from walls, fences, water meters, power poles and letterboxes
- ✓ Separate white goods, steel, mattresses and e-waste from other verge collection items for recycling
- ✓ Keep checking your pile to ensure no illegal dumping has occurred (refer to following page)
- ✗ Do not place on vacant land, reserves or parklands
- ✗ Do not place on artificial turf, brick paving or driveway. Contact the City for an alternative pick up location
- ✗ Do not place under trees or over sprinklers
- ✗ Do not follow your neighbour – check your collection date

If your verge hard waste or garden organics are not compliant, we will not return to collect them.

Please do not present more than 2 cubic metres.
