Message from the Mayor

Spring is here and our jam-packed Cockburn Live events season is well under way, with events to suit every member of the family. To keep informed of City events throughout the year, sign up to the City's monthly newsletter.

As the weather warms up, the City continues to undertake a range of fire prevention measures to mitigate fire risk across the City. The City's Fire and Emergency Management team works closely with the Department of Fire and Emergency Services and our volunteer bushfire brigades to keep us safe. Read on to see what you can do to get ready for the bushfire season. A few simple preparations can save properties and lives.

And talking of volunteers, you have until 31 October to nominate people for the City of Cockburn Community Citizen of the Year Awards. Nominate someone who has made a noteworthy contribution to our community or who inspires you by what they do to help create a better community.

Council provides more than \$2m in grants, donations and subsidies back to the community throughout the year. There are myriad opportunities – from birdbath rebates and support for getting together with your neighbours to the Cockburn Junior Sports Travel Assistance Program which provides up to \$400 to assist young Cockburn athletes to travel to state, national or international competitions.

I hope to see you and your family out and about in the community or at a City event.

His Worship the Mayor Logan K. Howlett, JP

Tel: 08 9411 3577 E: EMoffice@cockburn.wa.gov.au

What's happening at Cockburn Libraries

Story Dogs

Join Gaye and story dog Gracie for this free, fun literacy program. Story Dogs is a program to help children develop literacy skills and reading confidence. It's ideal for those learning to read or who are having difficulty reading. It's the dog that makes the difference!

Spearwood Library,
Wednesdays 3.30-4pm and 4-4.30pm
Suitable for ages 5-10 years.
Scan the QR code to book.

Website: <https://events.cockburnlibraries.com.au/series?si=50097&sn=story+dogs>

Toddler Sing and Play

Introduce your toddler to the joys of music making and playing instruments! Toddlers Sing and Play is a free weekly session that encourages and develops language skills, coordination and self-expression. It features special presenters who will share their unique cultures including songs, dancing and instruments. To find out more, click the QR code.

Spearwood Library, Wednesdays 10.30am
Suitable for ages 1.5-3 years.

Website: <https://events.cockburnlibraries.com.au/series?si=78697&sn=toddlers+sing+and+play>

No bookings required

eLibrary

Get a spring in your step with eAudiobooks! Tedious tasks don't have to be boring when you're listening to something interesting. Free eAudiobooks are available through our eLibrary straightaway when you join Cockburn Libraries. Join now on your device and start listening to your favourite authors in just a few minutes.

Website: <https://bit.ly/City-of-Cockburn-eLibrary>

City Growth

Road Upgrades in 2024-25

Rockingham/Phoenix Road (Spearwood) intersection improvements – \$2.5m

The City is upgrading the Rockingham Road/Phoenix Road intersection by replacing the traffic signals with a new roundabout. This change aims to enhance traffic flow and safety while also addressing safety concerns at the Phoenix Road and Grandpre Crescent access.

Key features of the new roundabout and upgrades include:

- Reduced speeds: The curved approach, splitter islands that narrow the roadway, and a raised intersection design will naturally slow down traffic
- Fewer conflict points: The roundabout layout minimises and separates areas where traffic paths cross, significantly improving safety
- Cyclist-friendly design: Exit and entry ramps are provided within the roundabout for cyclists who prefer not to ride through it
- Upgraded street lighting: Enhanced lighting will improve visibility for both drivers and pedestrians.

The project is funded by the Australian Government's Black Spot Program and the City of Cockburn.

Beeliar Drive/Dunraven Drive intersection improvements – \$2.93m

The City is enhancing safety at this intersection with the installation of new traffic signals that will:

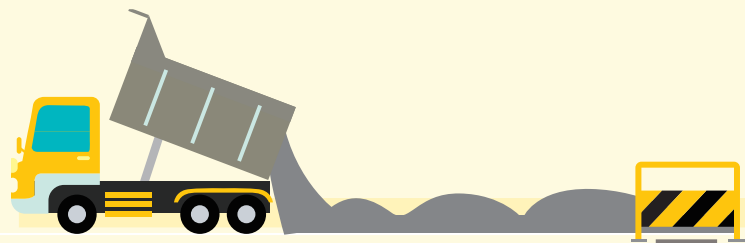

- Allow for protected turns and minimise the need for drivers to enter Beeliar Drive
- Provide safer crossings for pedestrians
- Increase visibility and predictability for cyclists.

Project stages:

Stage 1: (FY2024-25) Developing the detailed design

Stage 2: (FY2025-26) Installing the new signals.

This project is funded by the Australian Government's Black Spot Program and the City of Cockburn.

Rockingham Road/Spearwood Avenue (Spearwood) intersection improvements – \$0.43m

This project aims to enhance safety and accessibility for all road users and includes:

- Installing right turn arrow signals to replace the unprotected right turns from Rockingham Road onto Spearwood Avenue
- Realigning pathways and pedestrian crossings for increased safety.

This project is funded by the Australian Government's Black Spot Program.

Carrington Street/Forrest Road (Hamilton Hill) intersection improvements – \$1.3m

Improvements to the intersection of Carrington Street and Forrest Road in Hamilton Hill will enhance safety and usability for drivers, pedestrians and cyclists.

Key features include:

- Right turn arrows for the southern and eastern intersection approaches, to improve flow and reduce congestion
- Pedestrian signals and upgraded street lighting for increased safety
- Improved pedestrian and cyclist crossing facilities for easier and safer crossing
- A raised platform at the intersection to encourage lower speeds and create a calmer traffic environment.

The project is funded by the Australian Government's Black Spot Program.

For more on what's happening on our roads, visit www.cockburn.wa.gov.au/Traffic

Community and Lifestyle

Teaching kids how to be safe around dogs

Keeping our kids safe includes teaching them how to interact with dogs. Understanding dogs' likes, dislikes and signs of discomfort ensures safer, happier interactions. Every dog has its own distinct personality, much like humans. It's important for kids to understand the need to respect dogs and their boundaries and personal space.

Tips for kids

-  Always get the owner's consent before approaching a dog
-  Always pat softly
-  Avoid pulling tails and fur
-  No teasing or rough play
-  Give dogs space
-  Avoid hugging or restraining
-  Let dogs eat and sleep in peace
-  Use slow movements when around dogs
-  Avoid loud noises.

Recognising signs of discomfort, such as growling, backing away, tucked tails or lowered ears will ensure a safer environment for both children and dogs, preventing potential incidents and fostering positive relationships.

There are many resources online to help teach your kids more about dogs. When we all understand dogs, we can all live happily together.

For more information scan QR code or visit www.cockburn.wa.gov.au/Dogs

Turtles are on the move!

As we move through the Nyungar seasons of Djilba and Kambarang it's also the time when our native Southwestern Snake-necked Turtles (*Chelodina oblonga*) are nesting in areas surrounding Cockburn's lakes and wetlands.

We have erected temporary signage reminding drivers to take care in key turtle hotspots. Visitors to lakes will see educational signage showing how you can help and turtle trackers will be on patrol.

It is best to leave turtles alone as much as possible. If they need help, you can be a turtle bodyguard by assisting them in the direction they were heading and protecting them from predators. If it is heading towards land, it may be searching for a suitable nesting site. If it is heading towards a lake, it may be trying to migrate to water. If you see a hatchling turtle, you can take it straight to the nearest wetland.

For information on how you can help, visit www.cockburn.wa.gov.au/Turtles

Animal registrations due 31 October

By law, all dogs over three-months-old and cats over six-months-old must be registered with the City and microchipped. Cats must also be sterilised.

It's easier and cheaper to register your dog and cat once with our lifetime registration.

To register your pet visit www.cockburn.wa.gov.au/DogCat

Are you bushfire ready?

As we approach the hotter and drier months, it's more important than ever to make sure you are prepared in the event of a bushfire.

Preparing and maintaining your property, adhering to designated burning times and any fire bans is not only required by law, but they also play a crucial role in protecting you, your family, and your property.

You can read the City's Fire Control Order on our website, and while you're there check out our *Preparing for fire season* video series, which explains how to best prepare in the event of a fire emergency.

Website: <https://bit.ly/Prepare-For-Bushfire>

Got 15 minutes to burn?

Creating a bushfire plan is one of the most critical and valuable things you can do, and you can complete it in just 15 minutes.

<https://mybushfireplan.wa.gov.au>

New Australian Warning System for bushfires

WA adopted the Australian Warning System (AWS) in July 2024, with three warning levels that change to reflect the increasing risk to life or property and the action you need to take to keep yourself and your loved ones safe.

ADVICE

WATCH AND ACT

EMERGENCY WARNING

For bushfire emergency warnings, fire bans, fire danger ratings and what to do, visit www.emergency.wa.gov.au

For information on the designated burning times and information on local preparedness, visit www.cockburn.wa.gov.au/EmergencyManagement

Cockburn ARC

Kids Zumba

Get a groove on with Kids Zumba at Cockburn ARC!

For kids aged seven to 13 years, our 45-minute classes are a perfect mix of physical activity and pure fun!

Classes are packed with high-energy dance routines set to upbeat music, making exercise a blast. With easy-to-follow choreography inspired by salsa, hip-hop, merengue and more, we break down the steps and sprinkle in fun games and activities.

Enrol anytime during Term 4 at www.cockburnarc.com.au

After-school Junior Sport

Introduce your child to a new sport or skill up in a sport they already love, at Cockburn ARC! Our basketball and multisport coaching clinics are designed for kids aged five to 12 years during school term.

Our experienced coaches will help children develop their fundamental skills during 50-minute classes. All levels of experience are welcome.

Enjoy Basketball on Mondays and Wednesdays. Multisports on Thursdays and swaps between basketball, netball and futsal.

Enrol any time during Term 4, or we offer trials at www.cockburnarc.com.au

COCKBURN
ARC

Waterwise Verge Competition

Do you have a verge garden with native plants which is a haven for insects and small critters, or perhaps you've received our Waterwise Verge Rebate?

Enter our inaugural competition and win great prizes for your efforts in one of three categories:

Most Waterwise Verge Garden

Most Biodiverse Verge Garden

Waterwise Verge Rebate Recipients

Entries close 5pm, 1 November 2024. Terms and conditions apply. For more information and to enter, visit www.cockburn.wa.gov.au/Waterwise-Verge-Garden-Competition

Keep batteries and aerosols out of any bin!

Over the last six months our drivers have responded to multiple fires in our waste collection trucks and facilities. These dangerous fires are caused by batteries or aerosols disposed of in red, yellow or green-topped bins. These items are classified as hazardous waste and cannot be placed in any bin.

To support the safe recovery and recycling of valuable materials our residents can drop off small amounts of hazardous waste, like batteries and aerosols, at our network of community recycling hubs.

Dry-cell batteries (AA, AAA, C, D, button cell, lithium and 9-volt batteries), light globes, mobile phones, and printer

toner cartridges can be dropped off at Cockburn ARC, Cockburn Youth Centre, The Wetlands Centre at Bibra Lake and Cockburn Libraries in Spearwood, Coolbellup and Success.

Aerosol cans, such as fly spray, oven cleaner, deodorant and hairspray, can be dropped at the Administration Building, the City's Operations Centre and Seniors Centre, Coolbellup Hub, Aubin Grove Community Centre, the Wetlands Centre and Cockburn ARC.

To learn more about how to dispose of hazardous waste, go to www.cockburn.wa.gov.au/HazardousWaste

Quick quiz

Scan the QR code to test your knowledge about what can go in yellow, red and green bins.

Easter Fair

Saturday 19 April 2025

Aubin Grove Reserve

3-7pm

Hop on down to explore the Aubin Grove Twilight Markets, craft activities, inflatable zone and more.

Comment on Cockburn

City of Cockburn
Community Engagement team wins;
2024 International Association for Public
Participation Australasia Award

Comment on Cockburn website gets a fresh new look!

The City is excited to present our new Comment on Cockburn community engagement website. The site offers interactive tools and activities designed to enhance your understanding of projects across the City and provide an opportunity to share your thoughts on decisions that impact you.

We have several exciting projects on the horizon, from neighbourhood initiatives to larger city-wide endeavours like the Strategic Community Plan. Join us online, create an account, and play a part in shaping the future of our City!

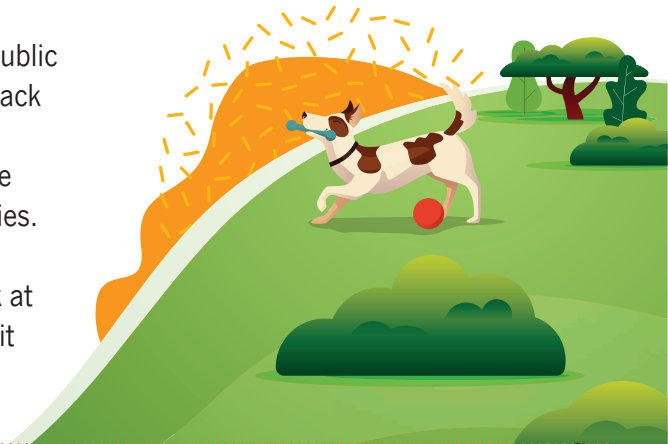

For those not online, we will continue to provide hard copies and phone options to ensure our entire community can participate and have their say.

Same address, new look. Visit comment.cockburn.wa.gov.au

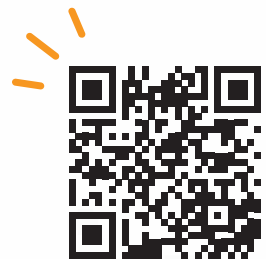

Facilities at MacFaul Park, Spearwood

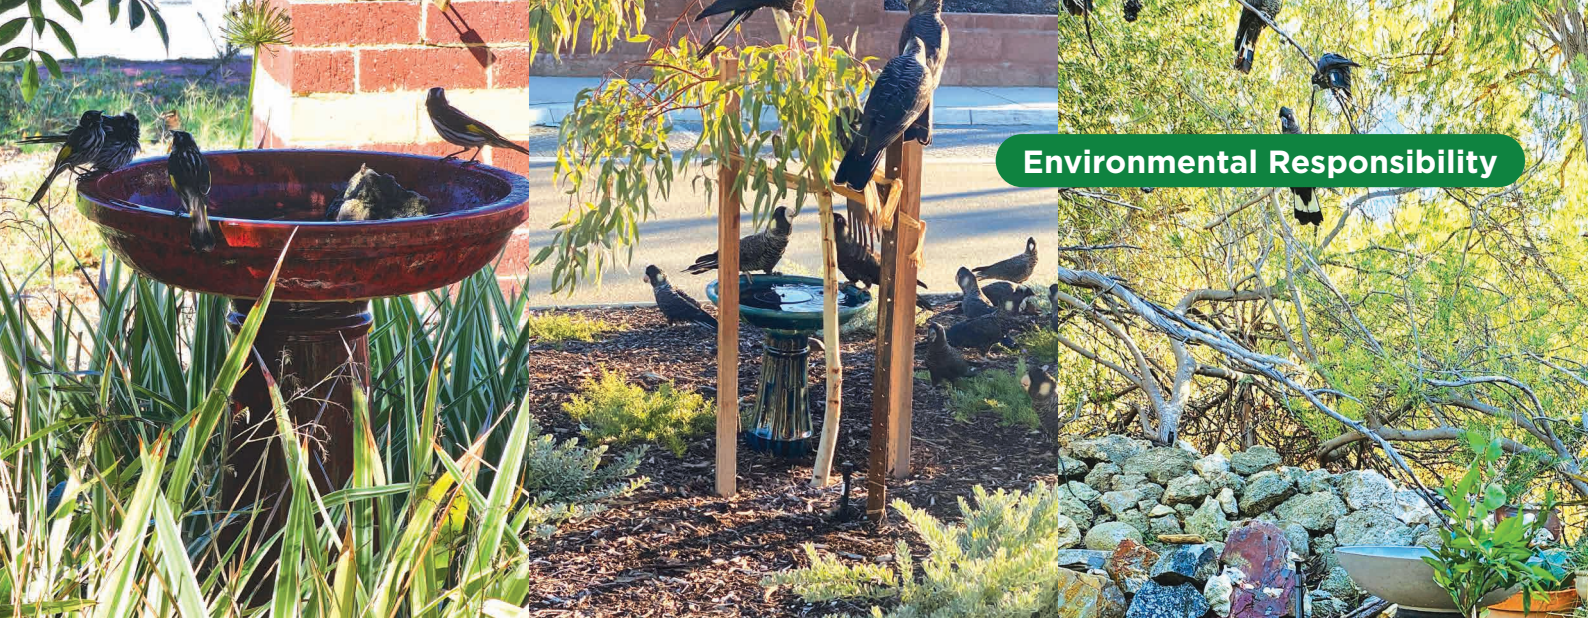

Late last year, the City sought feedback on the potential addition of a public toilet and a fenced dog area at MacFaul Park in Spearwood. The feedback revealed a lack of support for an enclosed dog area, but a preference for a dog water bowl station and some agility equipment. We have since installed these additions, and now we're shifting our focus to the facilities. With the vast majority of respondents wanting a public toilet, we are pleased to share some design options for the new facilities. Take a look at the designs and let us know your preference. For more information, visit comment.cockburn.wa.gov.au/FacilitiesMacFaulPark

Upgrades to Davilak Park, Hamilton Hill

As one of the oldest sporting reserves in the City, Davilak Park is home to cricket and AFL and serves as a recreation space for the local community. The park is set to undergo upgrades to continue serving the community now and in the future. Thanks to everyone who got involved in the consultation and shared their ideas to help inform the park's next chapter. To see the feedback and next steps, visit comment.cockburn.wa.gov.au/Davilak

Environmental Responsibility

Help our wildlife over summer

Summer can be especially challenging for our local wildlife due to longer, hotter days and extreme weather. We can all take simple steps to provide water, create shade and offer safe environments, to help reduce these impacts and support our birds, small mammals and reptiles.

1. Place shallow dishes of water or a birdbath in shady areas of your garden and clean and top them up regularly, especially on very hot days. Use rocks and pebbles or large twigs to create safe access for small animals
2. Create shaded areas and shelter around your garden with logs, leaves and brush piles
3. Planting native trees, flowers and shrubs provides food and habitat for native animals. ReWild Perth offers great tips for supporting wildlife in your garden
4. Be mindful of your pets at home and in our local parks. Wildlife may enter your garden seeking refuge from the heat. Keep dogs on a lead when out walking
5. Have a plan ready in the event you find an injured or heat stressed animal. Contact WA Wildlife for guidance and care.

Receive a 50% rebate (up to \$50) on birdbaths

5 minutes with Cr Phil Eva

What does a normal weekend look like for you in Cockburn?

For the past eight weekends, as well as Wednesday evenings, I have been undergoing entry training for the South Coogee Bushfire Brigade. Volunteering for such an important role is an absolute honor and privilege. The training team has done an excellent job of preparing the recruits to a professional standard.

Being part of the Brigade has given me a completely new perspective on the Jandakot and Cockburn Bushfire Brigades and the volunteers who put their lives at risk every time they are called out to a fire.

Additionally, once a month on Sundays, I volunteer at the Cockburn Repair Cafe, where I repair furniture, sharpen garden equipment and work with glass and china. This wonderful group of volunteers has been going strong for the past five years, and I'm pleased to say that I was there when it opened.

On top of that, my work as a Justice of the Peace and my Council commitments on weekends certainly keep me busy. I wouldn't have it any other way.

Grants for young athletes: empowering future champions!

Inspired by the recent Olympic and Paralympic Games? The City of Cockburn is here to help young athletes achieve their dreams with our Junior Sport Travel Assistance grants. These grants offer up to \$400 for individuals under age 21 who have been selected by a recognised state or national sporting organisation to represent WA or Australia in competitions over 100 km away.

Four application rounds each year make it easier than ever to apply and keep your child's athletic dreams alive! The closing date for the next round is December 2024, so check your eligibility and apply now. Help your young athlete take the next step in their sporting journey. Who knows where it might lead!

One of our recent grant recipients, Laila Walters, had the opportunity to travel to the Gold Coast in July as part of the School Sport WA Basketball 12 and under Girls Team. Representing WA in the School Sport Australia National Schools Championships, the team proudly brought home a bronze medal. Athleticism truly runs in the family, with Laila pictured below with her father, Michael Walters, a legendary Dockers player.

Laila's mother shared her thanks, saying, "We really appreciate the City of Cockburn's support and the grant for the Junior Sport Travel Assistance, which helped get Laila to the Gold Coast and bring home the bronze medal."

Don't miss out on this fantastic opportunity to support your child's athletic journey with the City of Cockburn's Junior Sport Travel Assistance grants. Apply now and pave their way to success!

For more information and to apply, visit www.cockburn.wa.gov.au/JuniorSportTravelGrants

Nominate your hero

**Grants
up to
\$5,000
available**

Business grants are open now!

Micro business and small business owners in Cockburn can apply for up to \$5,000 in business grants.

Bring your business dreams to life, whether you're looking to boost your skills through training, improve the security of your online operations, or begin an innovative new project – our business grants can help you get started.

Previous grant winner, Daniela, who is the owner of Made to be Free, used her grant to invest in a social media marketing course. She saw sales of her ethically handmade, sustainable swimwear and jewellery from Brazil increase by 500 per cent.

“If you use the grant wisely it's a game changer and the City of Cockburn makes sure you thoroughly think about it when filling out the application. The team at the City of Cockburn helped ensure my spending choices made the best return on investment.”

The application window is closing soon, so head to the City's website and apply before 10pm on Sunday 10 November 2024. Visit

www.cockburn.wa.gov.au/BusinessGrants

Ready to Go Global?

Scale your business in one day!

Learn to navigate the international trade market and identify new investment opportunities for your business at Cockburn Global, the City of Cockburn's annual one-day conference on exporting success in Southeast Asia.
