

## Clean Ocean Catch Clean video transcript

Oh yeah, I've been doing this most of my adult life.

I mean I can't get enough of it hey? Like a bit of it on the weekend, down the beach

The other half isn't that much into it, but it's all good as long as I have a shower afterwards

But some people are ruining it for all of us

They're leaving their mess everywhere. If you're going to do it, do it respectfully

I mean nobody wants to see that.

Could you imagine not being able to do this anymore?

Fishing tackle, balloons and cigarette butts are depleting our marine life and making a mess of the ocean.

Let's keep it litter free
