There are great sorts in every street who put 60% less into their landfill bin

In fact we can all become great sorts just by remembering

G is for gifting reusable things to charity swapping or selling

R is for recycling ony these five things—Paper, cardboard, plastic, glass and cans.

E is for earth cycling food scraps and garden waste into compost

A is for avoiding excess packaging and disposables

T is for taking batteries, e-waste and chemicals to special drop off points

It's about doing better than the bin and treating landfill as the very last resort
